Why EA at the FAA, OMB and GAO Requirements, How the FAA Uses the EA to Manage our Portfolio

8:30 Ms. Victoria Cox – Senior VP for NextGen and Operations Planning
NextGen, the NAS EA and the Importance of Strong Planning

8:45 Mr. Steve Bradford – Chief Scientist, Architecture and NextGen Development
NextGen and the NAS EA

9:00 Dr. Michael Romanowski – Director, NextGen Integration and Implementation
NextGen and the Use of the EA in Implementation Planning

9:30 Mr. Con Kenney – Chief Enterprise Architect
Alignment of FAA, DOT and Federal EA, Synergy Between the NAS and Non-NAS EA

10:00 **Break**

10:30 Mr. Jim Williams – Director, Systems Engineering and Safety
Systems Engineering and the Importance of the EA

11:00 Mr. Jesse Wijntjes – NAS Chief Architect
NAS EA Overview

12:00 **Lunch**

Presentations and Panel Discussions

1:00 Mr. Charles Leader – Director, Joint Planning & Development Office
Panel: Jay Merkle, Colonel Douglas Wreath, Mark Andrews, Kenneth Arkind
The JPDO and the Use of the EA for Cross-Agency Collaboration

2:15 Mr. Mike Hawthorne – Manager, Americas/ICAO Group
Panel: Steve Bradford, Jim Nagle, Dr. John Guy
Perspectives from the International Community on the Use of EA

3:30 **Break**

4:00 Dr. Agam Sinha – Senior VP and GM for MITRE Corporation
Panel: Kenneth Arkind, Vic Church, Bradley Culbertson, Dr. Jere Meserole, Kathie Sowell, Dr. Dinesh Verma
Perspectives on the Use of EA in Industry and Feedback on the FAA EA

5:30 **Adjourn** – Mr. Jim Williams

AGENDA DAY 2

8:15 **Daily Overview** – Mr. Jim Williams

Presentations

8:30 Presentation of the NAS Enterprise Level Architecture Products

- Oscar Olmos: *To Be 2025 OV-1 & OV-2: Ops Context for NextGen*
- Oscar Olmos: *To Be 2018 OV-6c: What NextGen Means to NAS Users*
- Oscar Olmos: *To Be 2025 OV-7: Information Arch in the Future*
- Steve Stratoti: *To Be 2025 SV-1: System Context*
- Steve Stratoti: *To Be 2025 OV-3: Information Exchange*
- Jesse Wijntjes: *To Be 2025: ISS and Safety Overlays*

10:00 **Break**

10:30 Presentation of the NAS Enterprise Level Architecture Products (cont.)

- Ed Zakrzewski: *As Is SV-2: Existing and Near Term Communications*
- Ed Zakrzewski: *To Be 2025 SV-2: Future Communications*
- Jim Robb: *To Be SV-4: Reference Architecture and SOA Governance*
- George Gardner: *TV-1: Standards for Implementation*

Demonstration

11:30 Pritinder Mann and Antonio Fernandez-Touzon
Demonstration of the upcoming NAS EA Portal

12:00 **Lunch**

Presentations and Panel Discussions

1:00 Mr. Greg Burke – Director of Finance and Planning,
Panel Discussion
Operational Service Unit Perspectives, Risk and Dependencies

3:00 **Break**

3:00 **Vendor Exhibit Booths**
Vendor Demonstrations of Architecture Products
